

# CORONAVIRUS (COVID-19) PREVENTION

## MINIMIZE SOCIAL GATHERINGS

Erickson Living and the CDC encourage you to minimize gatherings and social events to protect yourself and others.

Please consider following these precautionary measures:

- Avoid events or gatherings.
- Practice safe distancing by remaining 6 feet from your friends and neighbors.

**If you are experiencing any flu-like symptoms, stay at home and contact the on-site medical team and/or your primary care physician immediately.**
